

Our clients perform better.

Corvis is an international online marketing agency based in Vienna. We specialize in helping our clients improve their performance. We work with over 35 advertising channels to do this and develop conversion-optimized content and web solutions.

We are currently recruiting for the following position in Vienna:

Senior Graphic- & Web Designer (f/m/d)

38.5 hours a week - 1030 Vienna - from March 2020

Your responsibilities

- You will work together with our copywriters to create UX- and conversion-optimized landing pages, newsletters and websites
- You will work together with our creative team to create cross-channel online campaigns
- You will create innovative content, exciting ad creatives and unique social media designs
- You will show off brands and companies to best effect in a consistent manner and with passion for your role and you will always maintain an overview of existing corporate designs and style guides
- You will make a positive contribution to our agency with your input and support our continuous further development. Both we and our clients will love your inspiring designs

Your profile

- You are passionate about digital design and have an excellent understanding of typography and aesthetics
- You have several years of experience as a graphic designer and web designer, either working at an agency or as a freelancer
- You are confident in using Adobe Photoshop, Illustrator, InDesign & XD
- Basic knowledge of WordPress Elementor is a plus
- You are knowledgeable about responsive web design and usability
- You stand out thanks to your structured way of thinking and creativity, combined with the high standards you set yourself for your work
- You think outside the box and create new ideas, inspiring other people around you with your passion
- You are interested in online marketing and social media and love continuing to develop professionally
- You speak fluent German or English

What we offer you

- Interesting, varied tasks for renowned national and international clients
- You will be working with a dynamic, motivated and friendly team and will be treated as an equal. The team places great value on open communication
- High level of independent responsibility and time flexibility without an all-in contract
- Ongoing personal development and further training opportunities

We can offer you this position for 38.5 hours per week at a monthly gross salary of EUR 600.

We are, of course, prepared to consider increased remuneration depending on your qualifications and prior experience.

Does this sound like something you would be interested in? We look forward to getting to know you.

Please send your complete application, including work samples and salary expectations, to bewerbung@corvis.at, FAO Martin Siuda
